

2022 Annual Report on Political Contributions and Expenditures

POLITICAL CONTRIBUTIONS

Portland General Electric (PGE) strives to deliver clean, reliable affordable energy. Our success in meeting our goals depends on having sound public policy on the federal, state and local levels. For this reason, PGE participates in the political process through regular and constructive engagement with government officials and policymakers, by making contributions to candidates and organizations, and by encouraging political engagement by our employees. PGE is committed to fully complying with the letter and spirit of all laws and regulations governing our political activities and engaging in the political process in an ethical and transparent manner.

Any use of corporate funds to make political contributions in connection with elections for public office must be approved in advance as outlined in PGE's [Political Engagement Policy](#).
